

## 2008-2009 Teen Advisory Council Application

The Teen Advisory Council (TAC) is made up of local high school students interested in bringing new perspectives to the Museum of San Diego History. This year-long internship allows students to share their thoughts on how best to engage their peers in the understanding of both local history and the role of museums in their community. Members are granted behind the scenes access to museums operated by the San Diego Historical Society, as well as the opportunity to work on various history-related projects.

This internship requires a commitment of ten hours per month: 4 hours for meetings and 6 hours for project work, from August 2008 through May of 2009. Regular meetings are held on Wednesdays after school hours, with the possibility of occasional weekend activities. The Council is open to students who will be in grades 9-12 during the 2008-2009 school year.

**The application deadline is July 1st, 2008.**
