ONE HUNDRED YEARS OF CIVIL ENGINEERING EXCELLENCE IN SAN DIEGO

© 2016 October 2016

THE JOURNAL OF SAN DIEGO HISTORY

Founded in 1928 as the San Diego Historical Society, today's San Diego History Center is one of the largest and oldest historical organizations on the West Coast. It houses vast regionally significant collections of objects, photographs, documents, films, oral histories, historic clothing, paintings, and other works of art. The San Diego History Center operates two major facilities in national historic landmark districts: The Research Library and History Museum in Balboa Park and the Serra Museum in Presidio Park. The San Diego History Center presents dynamic changing exhibitions that tell the diverse stories of San Diego's past, present, and future, and it provides educational programs for K-12 schoolchildren as well as adults and families.
